

Coming to the Table Partnership Committee

The Partnership Committee is responsible for researching and making recommendations on potential partners for CTTT that can assist us in achieving our vision, mission, goals and objectives, and activities.

The duties of the Partnership Committee include:

- Research potential partner organizations and suggests where they might be helpful and prepares report on research.
- Make recommendations to the Executive Committee and board on specific partnerships to be considered.
- Assist Executive Committee with negotiations of partnership agreements.
- Review CTTT's Community Activity Plan and considers ways that partner organizations might be able to help us implement the plan.
- Make regular reports to the board on its activities.
